November 22, 2021

We are pleased to announce that fans will be allowed to attend Shead home games this coming season!

Of course the safety of our students, staff and fans are of the upmost importance so there will be a few stipulations that need to be followed for this to happen.

All fans will have to wear masks while in the school for the game. The exception to this is when food is consumed. The concession stand will be open but all food and drink must be consumed in the lobby.

In order to control the numbers of fans in the stands, ticket sales will be capped. Season tickets and pre-sales of individual game tickets are encouraged and will be on a first-come-first-serve basis. We do not recommend waiting to purchase tickets at the door because if the capacity limit is reached, no other tickets can be sold.

The price of individual tickets are \$4.00 for regular admission and \$2.00 for senior citizens, students, and full-time college students who are graduates of Shead. Season tickets are priced as follows – Combination girls' and boys' home games, \$50.00 regular and \$25.00 senior citizens and students; girls' or boys' home games, \$30.00 regular and \$15.00 senior citizens and students. Any tickets not sold ahead of time will be available at the door but again that is not a guarantee so please call ahead. For pre-sale and season tickets, please call Bobbie Clark at 853-5701.

Again, we are excited to have fans back in the seats to support our athletes. Please help this continue by following the guidelines that are in place.
